

Washington Class of 1972

A joint Birthday Party Bash with WHS and WCHS classes of 1972

Our 70th Birthday Bash

Dear classmate,

Can you believe we are 70 years old??? Where did the time go? To celebrate this important milestone, we are planning a 70th Birthday Party Bash. This will be a chance to see old friends (no pun intended) and relive the memories that made our high school years so great. But...you need to be there for everyone to have a great time at this party. You should have received a "Save the Date" card some months ago and already have it inked in your calendar, but if not, check out the details below.

When: Saturday, September 28, 2024

Where: Washington Conservation Club – 350 W 150 S (Donaldson Road across from the old Jefferson School).

Activities – Beyond the party Saturday night, the weekend is open for you to meet with old friends and walk or cruise the town and relive those great memories. Some familiar places are still here – The White Steamer and Mason's Root Beer for example, with newer spots as well.

Saturday Evening Birthday Bash Dinner –

Plan to arrive at the Conservation Club between 6:00 – 6:30 pm for social time and hors d'oeuvres. Each Class Picture will be taken promptly at 6:30 pm. The pictures will be emailed to you after the event (make sure we have your current email address) and placed on our Class Creator site for you to download and print on your own. Let us know if you need to have actual prints sent to you.

The dinner will start right after taking the class pictures. The meal is casual and will include a taco bar with all the fixings, a charcuterie board, a variety of appetizers, and a variety of sweets for dessert and of course, there will be a birthday cake! The plan is to be able to leave much of the food out for snacking during the evening. Coffee and tea will be provided and there will be a full cash bar available.

There will be opportunities for you to win prizes and everlasting fame at games and contests. Background music will be provided playing music of our era. If you have favorites, you may bring them on CD or memory stick.

Cost – We want everyone to attend this birthday party and don't want to make cost a deterrent. We are asking for a \$30.00 donation per person attending to help cover costs. If you can help with additional funds that would be great – if things are tight right now, please donate what you can, but PLEASE make sure you come. Having you at the party is more important than balancing the checkbook.

For those who will need hotel accommodation, we have included a list in this mailing. Please contact the hotel for specific information, prices and reservations.

To help us keep in touch between now and the party for any schedule changes and to be up on the latest hot senior news (again, no pun intended) please consider joining our Facebook page. You can bring it up with the QR code on the save the date card or here below. Also, we are continuing our class database on a platform called "Class Creator". This is designed to allow us to maintain data such as address, teacher information, reunion information and much more. For this to be interesting and useful, we want you to join if you want to. There is no cost to join, and it helps us keep classmate data current so we're ready when it's time for the next class event. To join, go to classcreator.com and then "Find a School" and then follow the selections to Washington and then select Class of 1972. You can then select "Join" and find your name and follow the

instructions to set up your profile. You can also go directly to <https://www.washingtonhigh72.com/> or scan the QR code below.

Please return your completed registration by **August 28, 2024**. If you have questions, please use the contact information below to contact one of the committee members.
